

## ATRS Airport Data Price List

### Unbalanced panel data for FY 2003-2016 years

The Airport Transport Research Society (ATRS) Databases are created and maintained by the Airport Transport Research Society. The ATRS Databases contain historic information including financial data, traffic and capacity data of the major airports and airport authorities in the following geographic regions:

(1). Asia Pacific; (2). Europe; (3). North America

For more details, kindly refer to our database manual posted on our website [www.atrsworld.org](http://www.atrsworld.org).

The database modules are segregated by region and year. Listed below is the price by type of users. All prices is for a singled named user license (except *collective use license for school or class in d.*) and subject to terms and conditions stipulated in the ATRS Data License Agreement.
